

## DEAR PARENTS AND GUARDIANS:

Our mission at Windsor Islamic High School is to provide our students with a challenging academic program that strives to take place within an Islamic environment. Our ultimate goal is to prepare students for post-secondary education, while at the same time expanding their knowledge and understanding about the Islamic faith. At WIHS we are committed to providing the best education possible for your child, while at the same time, preparing them to be effective and invaluable members of the Islamic community.

## COURSES OF STUDY

### GRADE 9

## LIST OF 2015 TO 2016 SCHOOL ACHIEVEMENTS

### Regional Science Fair Competition at St. Clair College:

- The students of WIHS participated this year in the 2016 Regional Science Fair Competition and received the following prizes:
  - 4 Gold Medals
  - 2 Silver Medals
  - 2 Bronze Medals
  - 1 Silver Plaque Shield
  - Monetary Prizes Totaling: \$2405
- One of our students was also selected to participate in the Canada-Wide Science Fair that was held in Montreal, Quebec.

### Fryer Math Contest:

- Five students from WIHS participated in the Fryer Math Contest held each year by the University of Waterloo's Centre for Education in Mathematics and Computing. All five of our students received Certificates of Distinction, as they ranked in the top twenty-five percent of contestants that wrote the Fryer.

## WHY JOIN THE WIHS FAMILY?

- WIHS is a private school that is accredited with the Ontario Ministry of Education.
- Our smaller class sizes enhance student learning, thus providing each student to reach his or her maximum academic capabilities.
- Our school's curriculum covers all of the overall and specific expectations outlined by the Ontario Ministry, while grounding the learning through an Islamic framework.
- WIHS offers a voluntary summer co-op program that provides students with the opportunity to explore their career options, while gaining real world experience.
- We provide students with the ability to reach their full potential, so that they can go on to become invaluable members of the Muslim and global community as a whole.
- We are equipped with all of the latest technology [SmartBoard, Computers, Projectors, etc...] to enhance student learning.
- WIHS offers a range of extra-curricular activities that strive to enhance student motivation and provide opportunities for leadership.
- All of the WIHS teachers are highly qualified Ontario Certified Teachers that are under the guidance of an Ontario Certified Principal.
