

# WIHS

MONTHLY NEWS-NOVEMBER/DECEMBER

## Another two months filled with lots of activities!

*Windsor Islamic High School students have made it through the first half of the semester this month. As a result, students had a chance to write their midterm exams this month. Report cards were also distributed to students this month. Preparations are now underway for Windsor Islamic High School's first graduating class's Umrah trip. Students will be travelling together to Mecca to spend a few weeks together in March. Students are extremely excited and looking forward to this trip.*

*We wish all the students lots of success as they move towards the end of the 2018 year.*

### What's Inside?

**Family Fun Fair**

**Science Olympiad**

**Basketball**

**Student Council**

**Parent Council**

**Islamic Knowledge Competition**

**Guest Speaker -  
Canadian Armed Forces**

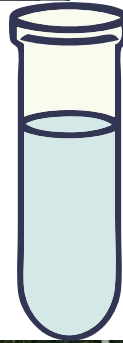

## Family Fun Fair

Windsor Islamic High School's very first Family Fun Fair was a great success. People from the entire community got to taste delicious food and have fun! Students lead various booths with Islamic Art, delicious food, hot drinks and several games. They got a chance to lead the way and create a fun day for their local community. Students should be commended for their great effort. They showed tremendous leadership skills and this day could not have been possible without them!

## Science Olympiad: Up for that challenge!

This month some of our talented students took to the University of Windsor to compete in the Science Olympiad. Although competition was fierce, and this was the school's second year participating, each student worked as hard as they could to apply the knowledge they had learned in their various Science courses to complete the challenges at hand. Even though WIHS had one of the youngest teams at the competition, the students refused to give up and persevered through the toughest challenges. Their efforts should truly be commended! We look forward to participating in the competition again next year.

**The WIHS Basketball team has officially started its game season under the guidance of their coach! Best of wishes to our Jaguars!**

The student council members officially took their oaths in order to commence their roles within the student council. The student council ensures that the voices of the student body are heard and that students enjoy the experience of school. The previous student council welcomed the new student council with many fun trips within the very first Month! WIHS is proud of the previous student council team and is looking forward to the new events this year's student council team will bring. The students this years are eager to start working on several plans and projects to make this a memorable year.

### Honorary Mention!

WIHS is proud of the previous year's president, Souheil, for continuing to show leadership by mentoring the current Student Council team! Keep up the amazing work!

## Islamic Knowledge Competition

WIHS held its annual Islamic Knowledge competition through which students got to review and compete on topics pertaining to the various pillars of Islam. Students were given many prizes in accordance with their excellent performance! At WIHS, we value Islamic education along with academic education. Kudos to all of the students that participated! Well done everyone!

## Guest Speaker from the Canadian Armed Forces!

On Veteran's Day, students of WIHS got a chance to meet Mr. Jay Mann from the Canadian forces and get their questions answered with regards to his career. We thank Mr. Jay Mann for the visit and providing a very informative session to our students!
