9TH NOVEMBER 2020

Veterans' Week 2020/2021

We honor those who have served Canada, past, and present, in times of war, military conflict, and peace

TO OUR VETERANS:
For all those who served for us:
Thank-you

Appreciation Poem:
You protect us while they lay on their backs
You fight for us
And you take the most dangerous approaches
You bleed in war
Yet you don't make a fuss
Thanks to all those for everything they've done
Since we truly appreciate for what has been done
