WORKSHOP

PIZZA DAY

WIHS Students and staff took part in the first fire drill of the year in December.

LETTER WRITING DAY

World Letter Writing Day presents our students with an excellent opportunity to reconnect with people they may not have spoken to for quite some time now. A letter gives students the perfect opportunity to reflect and think before communicating with someone. Thank you, dear students, for writing outstanding letters.

Mental Health Workshop

By Nada El-Fakharany

Graduate of naturopathic medicine Ali Kala walked students through how we view mental health, what it means to struggle, and how we find meaning in our life challenges. The main aim of the workshop was to build resiliency. He spoke about some factors that resilient people acquire: they view life as it is, and life is hard, they reflect on their actions and adjust it accordingly. Towards the end, he also discussed symptoms of depression and anxiety, factors that cause them, and what can be done to improve your mental health.

Pizza Day!

Human Rights Day

Human Rights Day is celebrated on December 10 annually across the world. This day came into existence on December 10, 1948, when the United Nations adopted the Universal Declaration of Human Rights. WIHS students also acknowledge the advocates and defenders of human rights around the world. The Law students created fascinating and informative posters to raise awareness about Human Rights. This was so fruitful; thank you, Ms. Ayat!

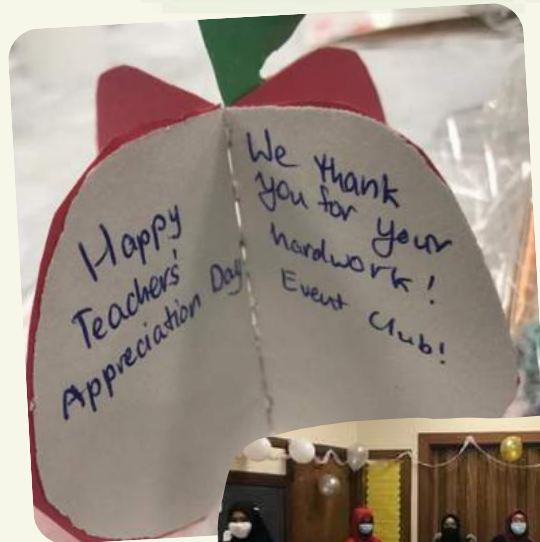

Teachers' Appreciation Day

Our Event Club organized a small brunch to show appreciation for teachers and school staff on "Teacher Appreciation Day." The teachers received a beautiful handmade card and a cute gift. It was such a nice gesture that all the teachers and staff much appreciated. It shows that the teachers' hard work and efforts haven't gone unnoticed. May Allah bless our students with success and Imaan-filled lives.

(Allahumma Aamiin)

Sadaqa Week

Midterms

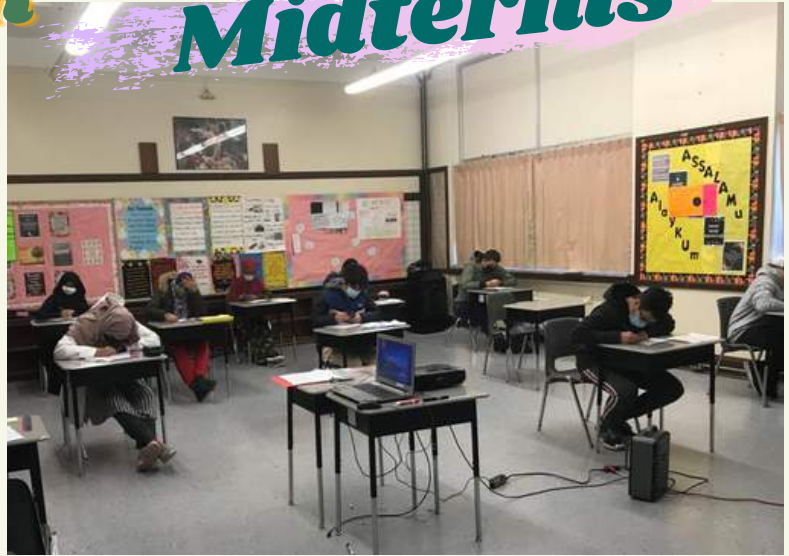

Table Tennis Tournament

On November 16-19, WIHS held a table tennis tournament. There were 10 students from Grade 9 to 12.

As of now, Ali Kabbani and Yousuf Iqbal are in the finals playing for the championship. May the best win.

By Ali Kabbani

Spirit Week

ANTI-BULLYING WEEK

From November 22 to 26, Windsor Islamic High School had their Anti-Bullying Week. The school used this occasion to remind the students about the problems of bullying. The Event Club decorated a bulletin board to bring awareness to anti-bullying.

Visit from U Windsor and St. Clair College

Grade 9 & 10 FIELD TRIP

On Tuesday, November 16, grade 9 and 10 students at WIHS took a field trip to the St. Clair National Wildlife Area in Pain Court, ON. This trip provided a highly interactive experience in nature for the Geography, Science, and Islamic Studies classes to make deep connections between their faith and the environment they inhabit. This trip was kindly funded by Green Ummah in partnership with Nature Canada.

This semester, grade 9 students in Ms. Shaymaa's Geography class completed Green Ummah's "Greening Our Communities Toolkit," a curriculum to learn all about our connections as Muslims and stewards of the environment.

Media Arts Gallery

I tested the media arts students' skills in photoshopping with minimal instructions! The students delved into the depths of their imaginations and created masterpieces such as floating phones, flying basketball players in the clouds, and glimpses in the world of anime. The students' work was entirely on display and turned the WIHS school hallway into a portal, taking onlookers on a trip through their creative masterpieces.
