# HACKERGAL

Hackergal is a charitable organization that inspires girls across Canada to explore the opportunities in code.

The term is largely used in the tech industry to describe a fast-paced event in which computer programmers or "coders" work together to create a functioning product.

**Ramsha Imran** from WIHS took the pride this year to participate in Hackergal 2019-2020.

Good job Ramsha!

## Canadian Law Class Debate

Ms. Ayat's Canadian Law class had a debate about whether or not music is bad or good. Both sides had a very good point of view for both situations and brought many valid opinions to the table.

# PRAYER IS THE LIFE ISLAMIC LECTURE

*by: sheikh mohammed mahmoud*

Sheikh Mohammed Mahmoud talked about the prayer and how it is important in our life. The main purpose of prayer is to act as a person's communication with Allah. All beings are not able to see him, but salat provides a means to ask and thank him for blessings.
