ROBOTICS

Oct 26

Principal Mrs. Asma Dahbour attended a practical session about robotics at Sandwich Secondary School. The session's information has helped to prepare WIHS students to start the new journey in building robots in January 2020 InShaAllah

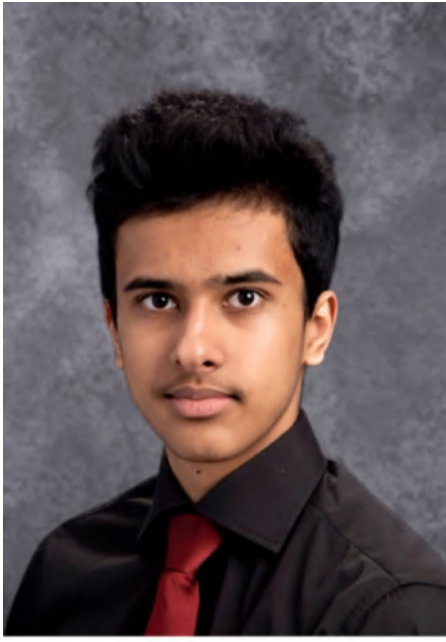

Class activities

Oct 30

In Mrs. Sadaf's Gr. 10 science class, the students went outside to pick up leaves to examine.

congratulations!

On October 15, WIHS sent out high standard opportunities for the students to apply to. Our student, Hamzah Riaz was chosen amongst the candidates for the position of 'Dean of Students'. Hamzah states that 'This entire four-year journey has offered me with such a great abundance of attributes in communication skills, empathy, teamwork, leadership, technical expertise, and compassion that I am eternally grateful for. I see this as a strong foundational background as a candidate for the Dean of Students position at the Windsor Islamic High School. We look forward to working with Hamzah on future student projects.

competition!!

You still have time to apply for the video competition!!

We are looking for an enthusiastic student who is passionate about WIHS. Show us your eagerness by putting together a 4-minute ACTION video! This video will be used as an advertisement tool for the school and should highlight our students and accomplishments. Any major public events, fundraisers, T.V, and social media will showcase this video. Your ad-video should include, but not limited to, the following;

Students around the school; laughing, sharing/buying food, studying, playing sports, etc

Recycling

Classroom and lecture participation
